Patient Missed Appointment Policy

We strive to provide our patients with the utmost professionalism and excellence of service. Our commitment to your well being and gain of your physical abilities is something everyone in our clinic takes seriously.

Because we care about you and your progress in therapy, we emphasize the importance of your own commitment to the care you receive at our clinic. Your dedication to the recommended number of treatments is a vital component of your progress with our services; therefore, we have certain rules that should be followed in order to ensure the most optimum results.

We expect you keep all your appointments or to provide adequate notice of your intent to reschedule your appointment. We will print and provide to you a card showing the time of your visits so that you do not forget your appointment time.

With the exception of a serious emergency, we expect you to keep all your appointments. **If you need to reschedule an appointment, please provide us with 24 hours notice.** Please call our office and arrange for a make-up appointment with our Front Desk Receptionist. To maintain your therapy schedule and ensure optimal results of your therapy, your make-up appointment should be the same week, preferably the day following your original appointment.

In cases of repeated non-compliance with your scheduled visits, we reserve the right to discontinue your care with a reasonable amount of notice to you so that you may locate another therapist to continue your care. We will also inform your physician that your service has been discontinued due to non-compliance with the prescribed rehabilitation order.

Thank you for your understanding concerning this matter.

We appreciate your faith in us and strive to accomplish wonderful results and success for you.

CAPE COD HAND THERAPY
